

## CAMPUS PASTOR

**Scott Hoffman**

scotth@trinitychurchvb.com

Have you ever listened to someone teach and they helped you look at something in an entirely new way? Have you experienced a moment when you said: "Wow, I never looked at it that way before, but it really makes sense!" Well today we begin our Lent Sermon Series entitled: *The Parables of Jesus*. Jesus used parables to help us look at some deep ideas in ways that we could actually understand them. A parable

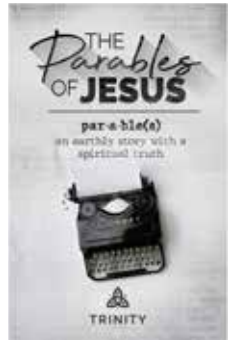

is actually an "earthly story with a spiritual truth." In this exciting season that will lead us to the cross and the celebration of the resurrection, we are going to zero in on some spiritual truths that Jesus wanted us to understand better. It's our prayer that He will speak to you during this series. And you can be thinking of someone you know who you could invite to join us for this exciting teaching.

Thank you for joining us tonight, may the Lord richly bless you in worship today.
