What is it about stories that grab our attention? Why is it that a fact is interesting, but a story is captivating? Jesus frequently spoke in parables to his followers, and they all point to the different facets of God's character.

Today, we begin a new sermon series on the parables of Jesus. Over the next four Sundays we will be looking at some of the amazing stories Jesus used to help us learn about the attributes of our Heavenly Father and the Kingdom of God.
