

## CAMPUS PASTOR

What is it about stories that grab our attention? Why is it that a fact might be interesting, but a story is captivating? Jesus frequently spoke in parables to his followers, and they all point to the different facets of God's character.

Today, we begin a new sermon series on the parables of Jesus, and I'm so excited to kick it off with our Pastor of Evangelism, Ronnie "Mack" McAdoo preaching. Mack comes to Trinity with more than 20 years of ministry experience, most recently as the Executive Director for Urban Discovery Ministries. Mack's ministry passion is to impact the lives of others and see Christ manifested in their lives. Mack is the Founder and Director of 1Died4All Basketball, inspired by the Holy Spirit to teach young people about Christ through basketball. He has been married to Janet for more than 30 years; they love spending time with their adult children and amazing grandkids. I pray we all find ourselves transformed by the living Word preached through Mack!
