Student Minister Opportunity Profile & Job Description

Opportunity Profile:

At Trinity, we are passionate about seeing a diverse group of people find a common story in Christ. Since Trinity started 12 years ago, we have committed ourselves to exalting Jesus Christ and honoring God's Word in all that we say and do. Our four-part strategy is to invite people to Come to Christ and then to Grow in Christ, Serve Him, and Reach others with the great news about Christ. As God has brought more people, we have continued to be one church which now meets in three Virginia Beach locations and in Stuttgart, Germany with a fifth campus planned to open this fall in Norfolk.

To better reach students with the Gospel and to help them Grow in Christ, Trinity is hiring a full-time student minister for each of our Oceanfront, Town Center, and Princess Anne campuses. Each student minister will lead the student ministry at their campus to reach many area 6th-12th grade students and invite them to Come to Christ, help students Grow to become disciples through small group Bible studies, and assist students in Serving in the church as well as Reaching their friends for Christ. Our student ministers will be part of a campus staff led by the campus pastor and will also work collaboratively with student ministers from other campuses to jointly select curriculum, plan summer camps and mission trips together, and work hard to make sure that Trinity's student ministry pursues the same strategy across all of our campuses while embracing local distinctives.

The Trinity staff is comprised of people who love Christ. We value truth, humility, teachability, collegiality, and entrepreneurial risk-taking. As we chase the dreams God has put in Trinity's collective heart, we are willing to try new things and then evaluate so we can learn from those experiences together. Our goal is not excellence in and of itself, but to do everything as unto the Lord for His glory and the good of the people we reach and serve.

We are currently looking for three student ministers to grow with us. If you naturally connect with students, are passionate about leading them to Christ and love leading adults to exercise their gifts in student ministry, see the Job Description below for what it will take to be a Trinity Church Student Minister. Furthermore, if interested, please send an email to jobs@trinitychurchvb.com with your resume and a cover letter. In your letter, please include a brief statement of faith including when you first trusted Christ as your Savior, and, share why you are interested in serving the Lord at Trinity.
