

TRINITY CHURCH

Next Gen Director

Since 2007, Trinity's mission has been to make disciples who exalt Jesus Christ and honor God's word in everything they say and do. Our four-part strategy invites people to **COME** to Christ, to **GROW** in their faith, to **SERVE** Him by serving others, and **REACH** those outside the church with the good news of Jesus. We are committed to the pursuit of building multi-ethnic, multi-generational congregations that reflect the communities around us and pursue unity in Christ. Trinity Church is one church with seven locations across the globe, averaging around 2,000 each Sunday for in-person attendance.

+ Position Description

We are excited to expand our team with a Next Gen Director. This leader will collaboratively lead and provide vision, direction and oversight to the Kids, Students, and College-aged ministry leaders for all campuses across Trinity Church. The Next Gen Director should be someone who has a proven record for building teams and developing leaders, has experience leading in multi-site contexts, and is deeply committed to the multiethnic and multicultural expression of the Kingdom of God. This position's goal will be to guide these ministries to make disciples who exalt Jesus Christ and honor God's word in all

they say and do by empowering our teams to equip parents, kids, and students through every phase from birth through the age of twenty five.
