TRINITY CHURCH

2030 Vision Campaign

EXPONENTIAL

means rising or expanding at a steady and rapid rate. This perfectly describes Trinity Church's journey over the past eighteen years—from a single weekly service with 100 people at the Virginia Beach Oceanfront to a multisite church serving more than 2,300 people weekly across three continents.

As we approach our 20th anniversary in 2027, **God is calling us to growth that surpasses anything we've experienced.** Exponential growth means not just adding—but multiplying at an accelerating pace.

In Matthew 25:14-30, Jesus tells of servants entrusted with talents who wisely invested and multiplied what their master gave them. Trinity Church, you have been faithful to invest your time, talents, and resources to build God's kingdom these past 18 years.

This booklet outlines our five-year plan to respond to God's call and how you can engage.

God has brought steady, rapid growth since 2007, and he is preparing us for even greater expansion in the years ahead.

15 YEARS OF GROWTH

EXPONENTIAL GROWTH

GROW

The Town Center Campus has outgrown the Westin Hotel, especially in Trinity Kids spaces. Services are frequently disrupted by hotel events and the building will soon undergo a six month renovation, requiring Trinity to vacate. With no other viable lease options, God has provided a clear path forward: the Brook Baptist property.

A new 500-seat addition will make Town Center our largest and most centrally located space for all Hampton Roads campuses. This permanent location opens incredible outreach opportunities to the surrounding community.

Plans Include:

- **New auditorium with A/V capabilities for broadcast sending and receiving**
- **Renovation of current building for Trinity Kids, Trinity Students, Bible studies, food pantry, community outreach, and staff offices**

This building addition will be financed by this campaign and a mortgage, which will be limited to our current monthly Westin lease payment.

See the incredible story of how God brought Brook Baptist and Trinity Church together in his perfect timing.

REACH

God specializes in restoring broken lives. **Trinity stands at the forefront of two initiatives restoring lives and opportunities for our most vulnerable youth.** By investing in these ministries, we answer the call to bring hope, healing, and lasting transformation—restoring families and rewriting futures through Christ's love.

WILD OAK HAVEN

Wild Oak Haven is a Trinity-born ministry sharing Christ's love with families and vulnerable youth impacted by foster care. Rooted in the belief that **every child deserves a loving, stable family**, Wild Oak Haven supports foster families, mentors young adults aging out of care, and builds bridges between churches and the foster care community.

Jesus calls us to continue building his kingdom with special emphasis on the most at-risk and brokenhearted. Isaiah writes, "They will be called oaks of righteousness, a planting of the Lord for the display of his splendor." —Isaiah 61:3b

Qayon went into foster care when he was 16. Hear his story and learn more about the mission of Wild Oak Haven.

THE ACHIEVEMENT CENTER

The Achievement Center offers youth in at-risk situations, or involved with the court system, a place to turn their lives around and develop their full potential, calling on churches to provide mentorship.

The Achievement Center will be housed at Tidewater Community College. **Trinity has been involved from conception and will now work with other churches to recruit and train mentors.** This rare opportunity allows churches to be directly involved in the lives of our most vulnerable citizens.

Goals include reducing repeat offender rates, reducing disciplinary referrals, providing stability and care, training for career opportunities, and showing God's love through local churches.

When Jesus announced his ministry, he quoted Isaiah: "The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty for the captives and recovering of sight for the blind, to set the oppressed free." —Luke 4:18-19

PLANT

Healthy churches reproduce. Our goal is to develop a network supporting church plants, ensuring each new church is trained and equipped to grow and multiply. **New churches will be planted with Trinity's mission and vision of making disciples, while seeking to multiply as healthy churches themselves.**

God has called us to impact his kingdom beyond multisite campuses. Using his gifts to create healthy church plants that will reproduce allows exponential kingdom investment.

The Church Planting Network Vision

- Identify locations and leaders for new church plants
- Train, empower, and equip leaders to support church plants
- Plant the first new church in 2027
- Provide multi-year support, then establish church independence

Watch a message that details how Trinity Church's Planting Network will multiply God's kingdom across the globe.
