

CAMPUS PASTOR

When you think of the life of Moses, you think of the plagues, the Red Sea, the 10 Commandments, maybe striking the rock instead of speaking to the rock but I'm sure you don't think of the mandate that God gave Moses to institute the Passover supper. It is a mandate that has been lived out by Jewish people for more than 3300 years! As we continue in The Whole Story, today we are going to focus on that instruction from God to Moses and just how it connects to the rest of the story of God's people throughout the Bible.

Today is also a great day in the life of the church as we have the blessing of commissioning new members into Trinity Church. If you would like to learn more about Trinity Church, sign up for our October New Member Class - there is no obligation to join and all all questions are welcomed. www.trinitychurchvb.com/register

I am glad that you joined us this morning and it is my prayer that you will find yourself closer to God after having worshipped Him this morning. Have a wonderful Lord's Day.
