

SUMMER WOW BIBLE CLUB SUPPLY LIST

Let's gather the supplies for your Trinity Kids SUMMER WOW BIBLE CLUB!! But before we plan, shop and print, we want to encourage you to stop where you are and start praying now and often for the experience your family is going to have these three days! God is going to do something special in your family's hearts and you are going to get the blessing of leading and witnessing it up close!!!

Okay, the next step is gathering your supplies and pre-cutting/prepping anything you think your child may need some assistance. Older children should be good to go with cutting and assembling but our preschoolers may need some help!

Take a look at the list below and feel free to adjust where you see fit. Have fun prepping!
